## BOARD OF CHURCH EXTENSION

---

We are gratified to learn that the work of the General Board is in a healthy and prosperous condition. We are informed that during the twenty-nine years of its history this Board has given aid to 8062 church buildings, almost half of the total number (16,477) owned by the Church; or more than 5½ churches for every week. The total amount of aid thus given was \$3,043,065.11, an average of \$378.00 to each church aided. Of the 333 church buildings in the bounds of our Conference, 200 have Church Extension money in them.

During the current year out of the number of applications to the General Board approved by the Executive Committee, aid was granted to churches in this Conference as follows; viz:

Alachua, donation \$300; loan \$300.

Burbank, donation \$75.

Sparks' Chapel, donation \$1875; loan \$1875.

West Tampa, donation \$1125; loan \$1125.

Tarpon Springs, donation \$375.

Total, donations \$3750; loans \$3300.

It is well understood our own Conference has established a Memorial Fund named after a deceased member of the Conference, Rev. J. C. Ley. The capital of this fund now amounts to \$1803.03; out of which aid has been granted to two churches prior to this Conference to the extent of \$1096.85.

The General Loan Fund capital has increased during the past year \$40,496.95; making the present capital in these funds \$380,111.60. We are asked to do what we can to bring this fund up to the half million mark; and to this end to put the General Office in communication with persons we judge likely to be willing to contribute to these loan funds. Attention is called to the fact that the General Board is in a position to pay annuities "as large as in keeping with sound business policy" to persons who will give the use of their means to the Board during their life time, to become the property of the Board at their death.

The sum collected for Church Extension in this Conference for the present year is \$4,032.66 on the general assessment; \$408.62 on the J. C. Ley Loan Fund; and \$99.34 for the Colored M. E. Church. Your Board has also received \$308.55, being money returned from grants previously made.

The following aid has been given to the churches and parsonages in response to applications presented to the Board at this session:

UNIVERSITY PLACE:—Our church in Gainesville has planned a forward movement in the interest, largely, of the young men attending our State University; who number, this year, almost 300; and whose number increases with each year. Two well located lots, facing the campus, have been procured on which it is proposed to erect a church and parsonage buildings as soon as possible. In view of the fact that the young men who are expected to be the chief beneficiaries of this movement come from all parts of the State, and from other States; it is not reasonable to expect that the burden of this enterprise should fall entirely upon the city of Gainesville. Your Board desires, therefore, to commend this enterprise to the liberality of our people, and to the public generally, throughout the state; and we recommend that the pastors who may serve Gainesville while this movement is being developed be given the consent of this Conference to appeal for contributions for this enterprise to the people of the State at large, as may be found necessary and expedient.

To facilitate collections your Board has united the assessments for the Church Extension and for the J. C. Ley Loan Fund; the amount

received from these assessments to be divided proportionately to the assessment by this Board. The assessments upon the several districts will be announced later. The assessment upon this Conference from the General Board for this year is \$5,486. The J. C. Ley Loan Fund assessment is \$100.00 upon each Presiding Elder's District.

In conclusion, we desire to express our appreciation of the splendid advance in contributions to the cause of Church Extension during the past year. This has made it possible for your Board to grant aid to an unusually large number of worthy enterprises. We hope that this interest will continue to receive your prayerful sympathy and co-operation through the year to come.

Rev. J. A. Hendry has been elected Treasurer of this Board.

J. B. MITCHELL, Chairman.

J. EDGAR HILSON, Secretary.

## SUNDAY SCHOOL BOARD

We note the gratifying increase in interest in the Sunday School Movement throughout the church.

There has been an increase of 243 schools, 4853 officers and teachers, and 66,113 scholars during the year, making a total of 1573 schools, 127,761 officers and teachers, and 1,337,108 scholars.

Our Sunday School periodicals have a circulation of 1,821,200, a net gain of 101,023.

The sales for the year ending March 1, 1911, were \$314,782.26, an increase of \$560.25.

The department of Teacher Training under Dr. H. M. Hamill, is rendering a most important service in increasing the efficiency of our teaching force, and should have the hearty co-operation of all our pastors.

We recognize the value of the Wesley Adult Bible Class, under the leadership of Rev. C. D. Bulla, and would urge the formation of these classes in all charges.

We call especial attention to the work done in our Conference the past year. The report of our Field Secretary, Rev. C. W. White, reveals that great progress has been made. It shows 41 Sunday Schools organized, 14 reorganized, a total new schools 55, 17 graded, 12 Teacher Training Classes, 62 Wesley Adult Bible Classes, 63 Institutes conducted, 43 conversions, 36 additions to the church.

We have received since the last Conference \$2192.47, and have expended \$2097.30, a balance on hand of \$95.17.

We are due the Field Secretary \$139.00. This will be met by receipts from the Conference Treasurer, whose final report has not been received.

We submit the following recommendations:

1st. The appointment of Rev. C. W. White as Sunday School

Field Agent and Colporter for the ensuing year, at a salary of \$1400, and \$500 for traveling expenses.

2nd. That an assessment of \$1800 be levied on all the Sunday Schools of the Conference to maintain this work.

Respectfully submitted,

G. S. ROBERTS, Chairman.

F. E. STEINMYER, Treas.

There has been a very healthy growth in all our Sunday Schools this year. I feel safe in saying that there is at least an increase in old established schools of 15 per cent or more. The school that has not grown this year is an exception. This is largely due to the awakening of the church on Sunday School work. We are planning greater and better things for our Sunday School next year. Let us all work together for the good of the Sunday School—the greatest agency today for the salvation of the world.

## BOARD OF EDUCATION

It is with profound gratitude to Almighty God that we are enabled to report many evidences of continued growth and prosperity for our Christian educational institutions in and out of the state. It is not too much to affirm that those into whose hands the institutions are committed are deeply impressed with their responsibilities, jealous of those fundamental truths for which our church stands and faithful in the discharge of the delicate and responsible duties attached to their sacred offices. It is with particular pleasure that we note the revival spirit dominant, especially in our southern colleges, and that the spiritual feature is stressed as well as the study of the work of God demanded and emphasized.

Reports read before the Board from the presidents of Emory and Wesleyan Colleges indicate that they are maintaining their enviable educational standard. We most heartily commend them to the patronage of such of our people who prefer or insist upon sending their children out of the state to be educated.

In reference to our own college located at Sutherland, we are especially pleased to learn from its president, Dr. J. P. Hilburn, that its great measure of prosperity has not only been maintained but increased. Its enrollment, we are gratified to learn, has reached 283 students, which is the largest in its history. Diplomas and certificates were issued to 26 students who had met the requirements of the advanced curriculum. The per centage of students in the college department proper is constantly increasing. This in the face of an advanced curriculum.

While considerable additions have been made to our property valuation during the past year, desiring to be ultra conservative, we fix its value again at \$190,000. Its endowment has increased \$2000 and we are employing a corps of 22 professors in the Faculty. We recommend:

1st. The appointment of Dr. J. P. Hilburn as the president of Southern College, and J. B. Mitchell as Conference Secretary of Education.

2nd. That we fix the assessment for education on the Conference at \$5834. The assessment of the General Board is \$1900, making a total for both of \$7734.

The following are the assessments for 1912 in the several districts:

	Conference.	General.
Bartow. . . . .	\$1026.78	\$ 334.40
Jacksonville. . . . .	1067.64	347.70

Tampa. . . . .	1102.62	359.10
	<hr/>	<hr/>
	\$5834.00	\$1900.00

Pastors are requested to collect and report these assessments separately.

We recommend the appointment of Rev. L. W. Higgs as a student to Southern College.

J. B. LEY, Secretary.

#### BOARD OF TRUSTEES OF SOUTHERN COLLEGE

We are profoundly grateful to the Almighty for the good providence which has been with us during the last Conference year, and for the blessings which attend our labor at this time.

#### CLASSIFICATION.

You are doubtless aware of the fact that the Classification Committee, authorized by our General Conference, has classified Southern College in the B Grade. Only for lack of endowment we would be privileged to enter the A Grade. When you recall the fact that scores of institutions that have been known as colleges, some of these more than a half century, are without classification, you will see that we have made very remarkable advancement. We know of but one college in our church as young as Southern College that is classified by the committee.

Our splendid gymnasium has been completed and is well furnished. This is a great addition to our college plant, and not only the young men but the girls, as well, show their appreciation of this, the best college gymnasium in the state. We have found it necessary during the year to add four new recitation rooms and purchase some new furnishings at a total cost of about \$1500.

We have added to our property holdings a number of lots joining the campus and the Sellers property. These additions have cost us approximately \$2,000. Deeds to this property have been duly recorded.

A much needed store room where supplies for the kitchen are kept has been built at a cost of less than \$200.

Having added this year ten acres to our grape fruit grove, we have

now a splendid grove property of about twenty acres, some of the older trees coming into bearing. We regard this as a very valuable feature of our investment which will add materially to our income in the years before us.

It will be remembered that we were authorized at the last session of Conference to enter a campaign for funds with which to erect a new boys' dormitory. With the assistance of Bishops Morrison and Kilgo and Dr. Dickey, together with the hearty co-operation of the presiding elders and pastors, we were enabled to secure subscriptions for this purpose amounting to more than \$21,000. Plans have been adopted and work is progressing on the new dormitory as rapidly as the help and money for the purpose will permit. We are working toward the completion as soon as possible of one wing of this building, and are now putting up the fourth story. This part of the building will be ready for the roof in a short time. It is our plan to push it to completion before the close of the Spring term. The urgency of this work may be seen when it is considered that we have already been compelled to turn away some students for lack of dormitory accommodation.

#### ATTENDANCE.

You will rejoice to know that Southern College continues to prosper in the matter of attendance and that we report the largest number of matriculates for any Fall term in the history of the school. We not only have a large enrollment but a choice body of students.

#### ORDER AND DISCIPLINE.

Those not familiar with school work can scarcely appreciate the difficult task of maintaining perfect order and doing the thorough work we are endeavoring to secure where the college, academy and preparatory classes are in the same dormitories and administration buildings. Many rules that apply to those in the college classes are not at all adapted to those in the lower classes. The seriousness of this condition is also increased by the fact that Southern College is a co-educational institution. Notwithstanding these conditions, however, we are pleased to report that good order generally prevails in the dormitories and class rooms and we have had only a few cases of discipline during the year. The college spirit has continued to develop among our students and we are pleased to note their increasing loyalty to the management of the school.

#### THE FACULTY

The Faculty consists of twenty-two men and women who have been chosen with painstaking care and who have had special training

and equipment for the positions to which they are called. While this is eminently true, it will not be invidious to affirm that the genius of our present faculty work as well as the commanding spirit of the administration of our college interests rests with Dr. J. P. Hilburn, the honored president of the institution, whose labors are unremitting.

With such evidences of God's blessings upon our efforts we can but move forward with one purpose with increased zeal and with large liberality until we shall see Southern College, the child of Providence and Methodism, stand as a monument of prayer, faith and effort, the very pride of every Methodist in Florida.

---

### CONCLUSION

We recommend, 1st, That the Presiding Elders of the Districts, President of the Board of Trustees, Chairman of the Board of Education and President of the College constitute a committee to arrange for a vigorous campaign in the early part of the year with the view of securing the necessary funds for continuing the work upon the new dormitory.

2nd, That the Board of Trustees be hereby authorized and empowered to issue bonds payable in twenty years for the best rate of interest attainable in the sum of \$20,000 or as much thereof as may be necessary to meet the present emergency if in their judgment it be deemed wise and expedient to take this action.

## REPORT ON THE BOARD OF MISSIONS

It is the purpose of the Church to give the Gospel to every human being in the world and bring the world to Christ. The membership of our church is coming to a consciousness of this truth. God is hearing and answering our prayers and our people are beginning to study and appreciate the great missionary activities of our church as never before. We appreciate the work of our General Board of Missions at Nashville and pledge them our hearty co-operation in all their efforts to further the Kingdom.

The Conference Board has under its jurisdiction the Missionary Work in the territory embraced in the Conference—that is from the Apalachicola River to Miami and Key West.

In this Conference there are many sparsely settled country districts, small, but growing towns that must have the Gospel preached to them, but cannot have it without assistance from the Board. In addition to this there is the city problem and the foreigners in our midst. Your Conference Board is endeavoring to supply the need with their limited means as best they can. The Board could use to profit much more than we have, but cannot grant all the urgent requests of our Presiding Elders because of the lack of funds.

We regret that our Domestic and Foreign missionary assessment was not raised in full the past year, but trust that this year every dollar of it will be raised. The progress of the Lord's Kingdom demands that we raise every dollar of it.

We note with pride that our missionary collections for 1911 are nearly \$2,000.00 more than for 1910. In 1910 we collected for Foreign Missions \$4,627.81. In 1911 we collected \$5,496.01, a gain of \$868.20. In 1910 we collected for Domestic Missions \$7,952.49. In 1911 we collected \$8,493.92. An increase of \$1,859.12 for missions in our Conference during the past year.

We would urge upon the pastors the importance and imperative need of early collections for Domestic Missions as the Board is dependent upon the year's collections to pay the missionaries their salaries. Delayed collections mean suffering and want to our faithful men and their families who are serving these mission charges.

Let us see to it that our people are supplied with missionary liter-

ature in abundance. That we make an honest effort to place the "Missionary Voice" in every Methodist family.

Your Board desires to call attention to the plans and materials of the Educational Department of the Board of Missions and to remind the pastors that only as we advance the missionary intelligence of the church can we increase the offerings for the spread of the Kingdom.

We therefore recommend "The Financial Method for Methodists," a joint policy of the Board of Missions, the Board of Education and the Church Extension Board.

We also recommend "The Every Member Canvass" in line with the plan set forth in the "Financial Method for Methodists," and would set as a goal for Florida Methodists an offering equal to seventy-five cents per capita.

We recommend the appointment of W. C. Norton by the Bishop as Conference Missionary Evangelist, his salary to be \$1400.00 and his traveling expenses. That the Chairman of the Board of Missions in consultation with the Conference Evangelist shall direct where he shall labor.

W. J. CARPENTER, Chairman.

M. H. NORTON, Secretary.

## EPWORTH LEAGUE BOARD

In reporting on Epworth Leagues, we beg to submit a brief record of facts as to membership and work of Leagues for the current year. For 1910-11 we have a total membership of 4,660 and 138 League Chapters.

The state of the League work is bright and encouraging. The Annual League Conference, held in June at Orlando, was one of the best ever held. The attendance exceeded that of many years, the personnel of the body was noted for the large company of young men present and a fine type of intelligent young people. The work that Brother Marvin Culbreth rendered at the five District League Conferences was very helpful and highly commendable.

The work of the State League President, Rev. C. Fred. Blackburn, together with the other state League officers, is very efficient and has done much to make the League work in our state a success.

The Epworth Era is well adapted to the needs of our League work. Its circulation should be increased as far as possible. Its proper use in our Leagues is almost indispensable.

The Boys' League work is arousing increasing interest, and its vital importance well deserves it. Wherever possible, we recommend pastors to organize a Boys' League, embracing some of the best features of the Boy Scout Movement of America. It will mean much for the boys and the future of the state and the church.

We recommend that every Presiding Elder's District be organized into a District Epworth League Conference. Where a separate Conference is not thought advisable, a place may be given on the District Conference Calendar for the consideration of Epworth League work.

The missionary work of the Epworth Leagues has accomplished much, and the effort of the Leagues of Southern Methodism to raise a special fund for work in Cuba is a most worthy and commendable

undertaking. We recommend that the Florida Leagues fall in line with this movement as far as practicable.

The success of the League work in the Conference during the past year has been in no small measure due to the hearty co-operation of Presiding Elders and pastors. Their continued interest is most earnestly solicited.

Respectfully submitted,  
T. W. TOMPKIES, Chairman.  
J. E. WOODWARD, Secretary.

## BOARD OF TRUSTEES OF THE FLORIDA METHODIST ORPHANAGE

---

We are glad to report a year of prosperity for this institution of our church. We have made considerable improvements on the building and premises. The interior has been put in first-class condition; three large store rooms have been remodeled into a nice chapel and primary class Sunday School room. The lighting plant has been greatly improved and enlarged. A boys' bath room and toilet have been fitted up. A waterworks system and sewer connections with the lake, and fire protection have been installed.

The furnishings have been made more adequate.

The building is in good repair, and well taken care of.

An acre of cultivated land adjoining our lot was purchased. You have live stock and poultry valued at about \$300

There was a balance from last year of one thousand dollars, and the receipts have been, up to date, four thousand three hundred and sixty-seven dollars and ten cents (\$4,367.10) in cash, and in additions to this donations of sundry supplies estimated to be worth six hundred dollars. The farm products of milk and butter, vegetables, fowls and eggs, and fruit amount to nearly fourteen hundred dollars. These receipts have gone into the current expenses, improvements and repairs on the property, superintendent's salary, printing and administration expenses, and there is left a balance of \$1,277.50.

In this connection we call attention to the fact that this support is not by all the Conference, as many charges contribute but very little. In order to have an adequate support from the present system of collections there must be none to neglect the fifth Sunday offerings by the Sunday Schools, and our Work Day must be magnified, and the donations increased.

There were 23 children in the Home on January 1st, 1911. 21 have been received during the year; one has died and 15 have been taken by relatives or placed in homes, leaving number at present 28; 25 of these are cared for gratis, three partly supported by relatives; 24 attend school. There have been thirteen conversions among the children and ten are members of the church.

There has been very little sickness among the children; the one death was due to organic disease.

Our superintendent and wife, Bro. and Sister H. H. Hoffman, efficiently assisted by their daughter, have worked most faithfully and well throughout the year. We were indeed fortunate in securing such experienced and efficient workers.

Bro. Hoffman and daughter, with the orphans and the Board, sustained a grievous loss in the death of Sister Hoffman some three or

four months ago. Since her death Miss Gussie Hoffman has done very effective service, taking as far as possible her mother's place.

The tabulated report shows what has been done.

## REPORTS OF CONFERENCE BOARDS

## JOINT BOARD OF FINANCE

The report of Rev. J. R. Stewart, Secretary of the Superannuated Preachers Endowment Fund shows that this fund is growing in a way that is both gratifying and encouraging. The total cash assets, the first of April last amounted to \$183,293 67. The total assets \$286,532.24, an increase of nearly \$13,000 over the preceding year. The amount to be disbursed the current year among the conferences is over \$6,500 an increase of some \$1,000 over the past year. Last conference our Board received \$144 from this fund. This year we receive \$168. We have carried out the plan suggested by the trustees of this fund and followed by the Joint Board at last conference of making an assessment on the conference for this fund and placing it at \$1,000.

In regard to the assessment for this fund, also for conference claimants and printing minutes, we wish to say that they are com-

bined under one head, thus reducing the number of assessments, while the total remains the same.

In view of the fact that the Board's plan is to make quarterly payments to our worthy conference claimants, we would urge the brethren to make early collections for this fund and remit to the treasurer.

As there seems to be an impression among some that the Joint Board has funds in hand to help in Conference Entertainment we wish to inform all concerned that we have no funds on hand for such purpose and no provision made to obtain such a fund. Therefore be it Resolved: That this conference declare itself in favor of having its sessions entertained through the hospitality of communities inviting the conference and that this resolution be adopted in order that said communities may not be misled by relying upon the expectation of having their entertainment fund supplemented by contributions from this Board.

# THE WILDMAN FOLDING PARTITIONS.

A Practical Invention to meet a Pressing  
Need in Sunday School Equipment

Simple—Satisfactory—Successful. This is what you want—can get—will like.

READY TO RECEIVE CLASSES

We claim that the Wildman Folding Partitions is the only device made at small cost which will effectively separate a number of classes meeting in one room, without disfiguring the room or preventing its free use for other than Sunday school purposes.

The Partitions consist of Tubular Brackets hinged to the wall, having a connecting rod pivoted at the outer ends to carry curtains between and in front of several classes.

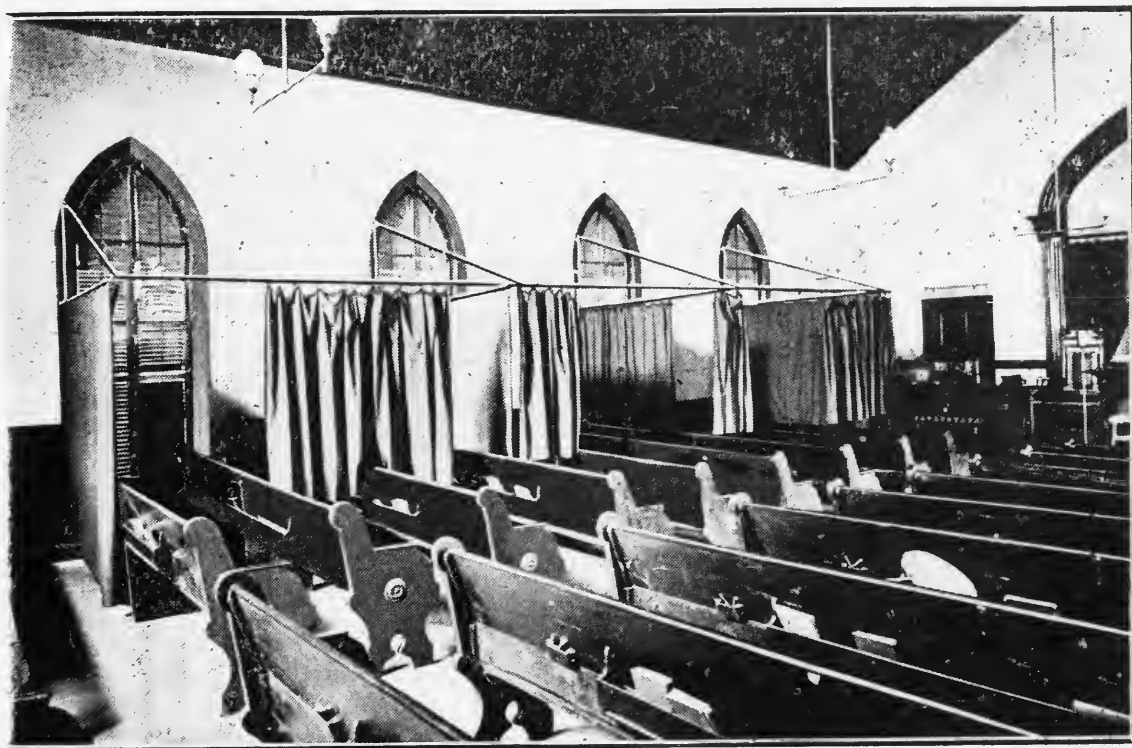

When not in use the device folds back as a unit against the wall. When needed during the lesson period it is quickly, easily and noiselessly drawn out, forming rooms.

Being simple of construction and easy of erection in any building, it becomes possible for every church, because of the small cost of the Wildman Folding Partitions, to provide separate class rooms for all classes.

FOLDED AGAINST WALL—OUT OF USE.

When in use the Partitions cut off sight.

They greatly reduce sound distraction.

They are durable and cannot get out of repair.

They make it possible to do effective teaching.

They do not interfere with lighting, heating or ventilation.

They conserve time and prevent confusion, since there is no moving of classes and no avoiding closing exercises.

#### TESTIMONIALS.

Sanford, Fla., Nov. 20th, 1911.

"We have had the Wildman Folding Partitions in use in the Sunday School in the Sanford Baptist church for nine months and have found they revolutionize our work. I do not see now how we got on without them."

N. J. PERKINS,

Supt. of Sunday School and of  
Sanford Public Schools.

Rev. J. W. Wildman:-

Dade City, Fla., Nov. 16th, 1911.

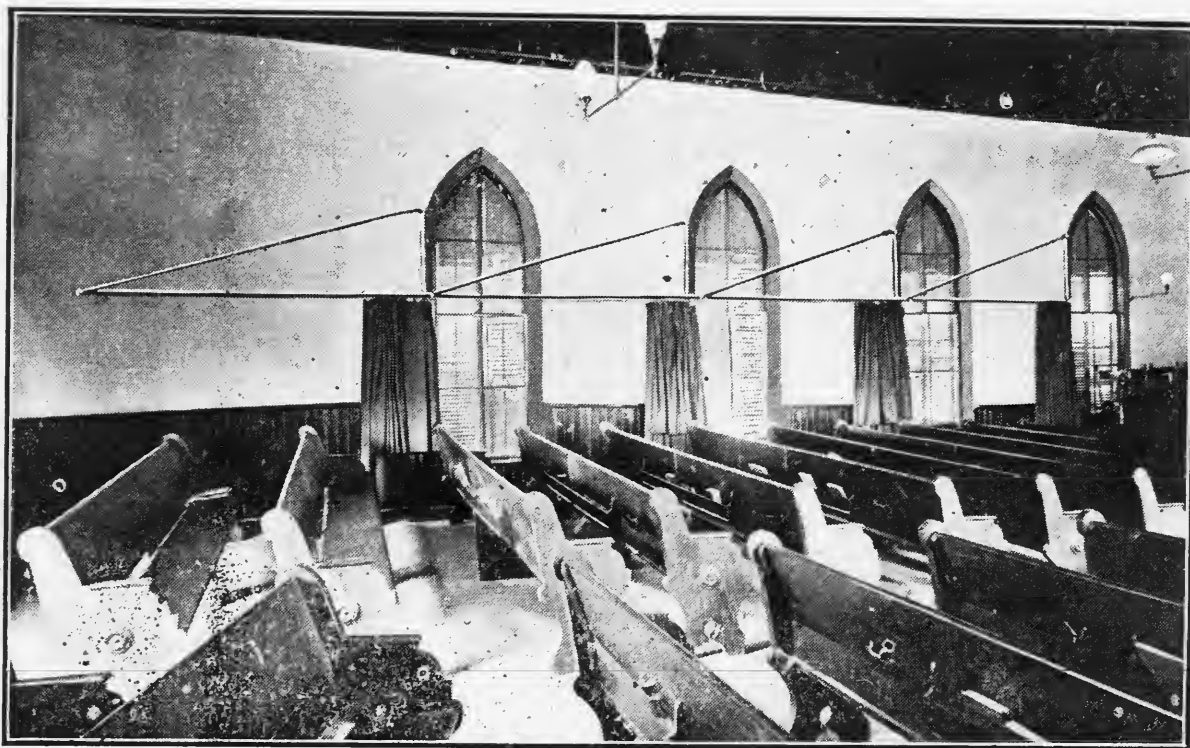

"I have seen your Folding Partitions in operation, and am much impressed that they will fill a long felt need in providing separate class rooms at a very small cost. At the same time they can be removed for preaching with no trouble in adjusting the Partitions. They are just what the Sunday Schools in the smaller churches will want."

Yours truly,

CHAS. W. WHITE,

Field Sec'y. Sunday Schools Florida Conference.
